Download ClassIn (Windows)

The screenshot shows the ClassIn website's download page for Windows. The browser's address bar contains the URL `classin.com/en/download.html`, which is highlighted with a green box and a green square containing the number 1. In the top navigation bar, the 'Download' link is highlighted with a green box and a green square containing the number 2. Below the navigation bar, the main heading reads 'ClassIn for Windows' with the subtext 'Download ClassIn for free for a one-stop solution to online education'. A large green 'Download' button with a downward arrow icon is highlighted with a green box and a green square containing the number 3. To the right of the main content, there is a collage of images showing a video conference interface with a child, a rocket diagram, and a tablet. A white callout box with a green border and rounded corners is positioned over the bottom right of the page, containing three numbered steps. At the bottom of the page, there are three download options: 'download for Mac Intel processor' and 'Apple silicon', 'download on the App Store', and 'get it on Google Play'. The screenshot displays a learning management system interface. On the left is a navigation sidebar with icons for ClassIn, To Do, Contacts, Drive, Course (highlighted with a green box and labeled '1'), Blackboard, and Settings. The main content area is titled 'August' class - 181' and includes a 'Calendar' tab and 'All Courses' section. A calendar for September 2021 is shown, with a green dashed box around it and a green box labeled '3' at its bottom right corner. The calendar highlights the 8th of September (labeled '2') and the 15th (labeled '1'). Below the calendar is a 'Today' button. To the right, the course details for 'August' class - 161' are shown, including the date '09/08/2021 10:25 Wednesday (30 min)'. A video player is overlaid on the right side of the screen, showing a video titled 'Classroom Video' with three segment buttons labeled '1', '2', and '3'. A callout box labeled 'Playback:' points to a play icon in the video player, stating 'Click on this play icon to watch the video with multi-speed'. Another callout box labeled 'Learning report:' points to a report icon in the course details, stating 'You can view information about your performance in class, your teacher's comments and your class notes'. A third callout box labeled 'If the video has multiple segments, you can switch between them here' points to the segment buttons in the video player.

Task & test (PC)

The screenshot shows the ClassIn interface for a class named "August'class (13)". The left sidebar contains navigation options: Home, ClassIn, To Do, Contacts, Drive, Course, Blackboard, and Settings. The main content area has tabs for Chat, Course, Lesson, Grades, and File. The "Course" tab is selected and highlighted with a green box. Below the tabs, there is a search bar and "Activity Types" filter. The content is organized into units: "Unit 2 (11/39)" and "Unit 1 (0/1)". Under "Unit 1", there is a "Task" card with the text "Task | Ongoing 02/13 Monday 23:59 Deadline | Submitted 0/7". A green dashed arrow points from the "Course" tab to the "Task" card, and another green dashed arrow points from the "Task" card to a "Take Task" button. A green box highlights the "Take Task" button. At the bottom, a green-bordered box contains the text "Class group → Task → Take Task".

The screenshot shows the ClassIn interface for a class named "August'class (13)". The layout is identical to the first screenshot, but the "Task" card is replaced by a "Test" card with the text "Test | Ongoing 02/13 Monday 23:59 Deadline | Submitted 0/7". A green dashed arrow points from the "Course" tab to the "Test" card, and another green dashed arrow points from the "Test" card to a "Start" button. A green box highlights the "Start" button. At the bottom, a green-bordered box contains the text "Class group → Test → Take Test".
